Dear Dedicated Democrats, We Need YOU!

Planning for our 2023 Annual Gala & Silent Auction is in progress to make it the amazing event you've come to enjoy.

The Gala and Silent Auction is the primary revenue source to meet our annual fundraising goals and its success helps keep our Dinner affordable. Proceeds from our fundraisers are used to support Democratic candidates, headquarters operating expenses

Our goal for the silent auction this year is to focus on quality items and themed-baskets, while promoting team spirit among our members as they work together on 'local content' baskets.

Will you help us make this year's event successful by donating items you may have, and asking for donations from businesses and restaurants you patronize?

To give you some ideas for donations we've put together the following list of things that have been successful in the past. This is not an exhaustive or exclusive list. If you have something that you aren't sure of, just ask us! Items should be new (preferred) or very gently used.

Thank you in advance for your consideration and for all you do!
